

I have learnt that “ALUMNI-CODS AND COLLEGE DAY” is going to be celebrated on 19th & 20th February 2011 and in that occasion our college journal will be released. I am happy to inform you that our journal has got *ISSN No. 2230-8695 CODS-JOURNAL OF DENTISTRY* on 18.01.2011.

Scientometric analysis of Indian Research out put has mapped Dental Sciences Research for the period 1999-2008. Our college has **FOURTH** place among the 25 Listed Dental Institutions in India. We at CODS are provided an ideal infrastructure and academic environment with latest facilities for the young dental doctors. We aim at motivating students for their excellence. For example out of 14 Malaysian 1st BDS Students have secured 12 distinctions and the two first class.

It gives me immense pleasure to inform that the 471 Post Graduates Students has completed successfully in all the specialties so far and it is a continuous process.

I congratulate our faculty for their good work which has not only helped the community, but also our U.G and P.G students in obtaining the credit for their learning.

At last but not the least our journal committee has put tremendous effort to bring out the fifth issue of CODS journal.
