Anna Hazare says bring back the black money. Do you know what will happen if 1,456 Lacs Crores comes back? India will be financially no.1 country, each district will get 60000 crores and every village will get 100 crores, no need to pay tax for next 20 years, and free electricity as mentioned Indian Express news paper.

At 65th Independence Day, the anti corruption movement led by Anna Hazare should achieve the height of success and make the Indian feel great being an Indian. We wish the movement against the corruption a great success.
