

Director's message

I am glad to know that 9th issue of the College of Dental Sciences journal is going to be published shortly. The previous editor has worked hard and put a strong foothold to bring out all the issues of the journal.

As a procedure, Dr. G.P. Mamatha has been unanimously selected and taken over from Dr.Narayan.N.Walvalkar, the previous editor. I strongly feel that the present editor is going to increase the number of pages and articles at the same time maintaining the standard of the journal by reviewing the articles and chosen the quality articles for publication. I congratulate and wish the editorial team a grand success in future endeavours.

DR. V.V Subba Reddy
Director
