

Principal's message

It gives me an immense pleasure being the Principal of CODS. I believe in taking the faith of all the staff to enhance the goals of our institution and to reach new horizons through commitment, dedication, perseverance coupled with strong work ethics and positive spirit towards our duties.

I am indeed proud to see tremendous improvement regarding quality of article and printing of the journal. With the introduction of reform in UG and PG dental education, the faculties have to be updated and keep up with the pace of curriculum and change in teaching strategy. I proudly announce that College Of Dental Sciences has accredited by NAAC with 2.8 points.
