

# President's Message

---

Greetings,

It gives me immense pleasure to inform all our readers that our esteemed college journal, CODS journal of Dentistry (CODS JOD) is available online through Jaypee publications. Since, it is accessible online it provides an excellent platform to share our knowledge, experience and resources to clinicians, faculty members and alumni all over.

This task would not have been possible without the aid of our highly efficient editorial board who have toiled for nearly nine years for making this dream a reality.

We are also in process of making CODS journal PUBMED indexed and I am sure this too would be achieved soon.
