

# Director's message

*Dear Fellows,*

*Greetings to all of you. It is a matter of immense pleasure and pride for me to write this message that college of dental sciences journal 5th volume 2nd issue is coming for distribution. I would like to congratulate you and your team for bringing the journal regularly and maintaining high professional standard of the journal. Dentistry is combination of Art, Science, Skill, and Practice that are acquired over the years of experience. The academicians are required updating with recent trends and techniques newer concepts through CDE programme, conferences, workshops, panel discussion etc. I wish the editorial team all success in future endeavours.*
